

# Hot towel Shaving

Male grooming continues to increase which gives you the opportunity to grow your business and offer old school traditional barbering services to your clients.

Wet shaves can add specialism to your salon and offer your clients a new experience and service which will leave them feeling relaxed and refreshed

For your salon to offer such a service it is important to ensure that you and your staff are trained correctly to maintain a professional standard. This course will ensure you do just that

## **On this course you will learn:**

Demonstrations

Traditional shaving methods

Correct use of a razor

Hot and cold towel treatments

Vital under pinning theory knowledge

Health and safety

Course requirements: Currently working the hair industry

On completion of the course you will receive a Full CPD certificate of attendance and completion , ideal for your own personal portfolio or CV

Delivered by Alison |Brightwell Education @Shane Brown Hair
