

Ladies & Gents One to One Teaching Sessions

Complete and keep your cutting skills sharp on both men and women using a variety of cutting techniques. Learn to fade, taper or texture, blend and layering. You choose your area of development you would like to concentrate on and book your private tuition sessions.

These sessions are designed to inspire and add confidence to your existing talent and skill, sessions are booked via an hourly rate which you can use to your own advantage.

Work on new or existing skills to perfect and refine your work, one student one teacher

What you will learn:

Cutting techniques

Finishing techniques

Balancing

Any area of improvement you feel you need to practice can be the focus of your session

Make it your own

Delivered by Alison |Brightwell Education @Shane Brown Hair
